

The Spring 2010 Round Robins Rattlers Tournament
(May 2, 2010)

Results

Good news: the juniors are pushing! At least at the recent Rattlers round robin tournament. Not only did Filip Ilijevski, Anqi Luo, Henry Chau and Alexander Bu win their respective categories (see details below), but both overall winners were also members of the younger generation.

First in the U-1500 event, Cameron Siou, a much improved junior from Rattlers, remained undefeated throughout the morning. Then, in the O-1000 / open, Louis Wong managed to dispose of favourite Serhii Koval, from Belarus, in 5 games, leaving also Danny Ly and Colin Greenidge behind.
