

**Mississauga Rattlers Open  
RESULTS**

Juniors needed! The Open event of another well-attended tournament (90 participants) has been won by a veteran, and by a score of 3-0 in the final. Either table tennis is getting older in Ontario, or Colin Greenidge is getting younger every year! In both cases, please send your kid to the local table tennis club now, so the younger generation can challenge the old guard in a few years...
