

Quest for Gold – Ontario Athlete Assistance Program 2009-2010 ATHLETE SELECTION CRITERIA

Quest for Gold – Ontario Athlete Assistance Program 2009-2010 (OAAP) is funded by the Government of Ontario, through the Ministry of Health Promotion (MHP), and operated through the Sport and Recreation Branch. The overarching goal of the *Quest for Gold* – OAAP is directly related to the Enhanced Excellence goals of both *ACTIVE2010* and the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level; thereby contributing to the improved performance of Canada at international competitions. Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The program will provide direct financial assistance to Ontario junior-aged athletes through an "Ontario Card" designation. "Junior-aged athlete" is defined as those athletes who fall within the eligible age range for the Canada Games - 11 to 22 years of age. (Consideration will be given to older junior-aged athletes if a PSO/MSO's NSO-approved Long Term Athlete Development model (LTAD) identifies older athletes in the "Train to Train" and "Train to Compete" categories). The intent of the OAAP is to provide funding to individual athletes based on their demonstrated commitment to high performance sport, allowing them to pursue athletic excellence at the highest levels of national and international competition.

How does it work?

In accordance with the OAAP guidelines, the OTTA is responsible for developing sport specific selection criteria and forming a Selection Committee that will apply the criteria to select those athletes who will be awarded Ontario Card status in 2009-2010. The Selection Criteria is approved by the Board of Directors and reviewed by MHP staff. Nominated athletes will be required to sign an Athlete Agreement between the athlete and OTTA. Carding status will be for one year starting April 1, 2009 ending March 31, 2010.

In 2009-2010, the Ministry of Health Promotion allocated a certain amount of OAAP Ontario Cards to each eligible Provincial Sport / Multi-Sport Organization (PSO/MSO). OTTA has been allotted a total of 8 Ontario cards (split evenly as 4 Male and 4 Female Cards).

OTTA has also decided to exercise the option made available by MHP to split up to 30% of its carding allotment (i.e. issue ½ cards in designated categories).

A minimum of 70% of the Ontario cards will be allocated to what the Ministry of Health Promotion defines as junior-aged athletes (11 to 22 years of age). A maximum of 30% of the Ontario cards may be allocated to athletes no longer eligible for "junior athlete" status, (athletes 23 and over).

As a result, the 8 cards issued to OTTA will be allocated as follows:

	Male	Female
Full Cards – 6	3	3
Half Cards – 2 full cards = 4 half cards	2	2

Cards will be specifically allocated to the following categories/disciplines:

Category	Number of cards
Youth Senior Level (U21, Athletes born in, or after 1988)***	6 Full Cards (3 male, 3 female)
Youth Development (U18, Athletes born in, or after 1991)***	4 Half Cards (2 male, 2 female)

*** NOTE: Athletes must be eligible to play in the aforementioned categories (i.e. U21 and U18), as of the application date, December 10, 2009, according to the I.T.T.F. and T.T.CAN rules.

In accordance with the OAAP guidelines OTTA is responsible for forming a Selection Committee and sport specific selection criteria to nominate the athletes for Ontario carding status in 2009-2010. This selection criteria has been approved by the OTTA Board of Directors.

The Selection Committee is comprised of the following members:

MargueriteJane Won, President OTTA
 Dejan Papic, President OTTA Central, Development Manager for Q4G
 Attila R. Mosonyi, Secretary OTTA, Program Coordinator Q4G

How much funding is available?

The exact level of funding for the 2009-2010 carding year will be determined by the Ministry after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2010.

How will the OTTA Selection Committee decide who receives funding?

The OTTA Selection Committee will use both the Ministry of Health Promotion Eligibility Criteria and the Sport Specific selection criteria detailed below to determine which athletes will be nominated by the OTTA for Ontario Card status in 2009-2010:

A. Ministry of Health Promotion Eligibility Criteria:

All athletes must also meet the Ministry of Health Promotion's minimum athlete eligibility criteria:

- Athlete must be a Canadian citizen or landed immigrant;
- Athlete must be a resident of Ontario for one year prior to his/her nomination for carding status, with the following exception;

The residency requirement will be waived if the athlete is a direct family member of:

- a regular force member, or
- a reservist as defined in subsection 1 (1) of the *Employment Standards Act, 2000* who is deployed under a circumstance described in clause 50.2 (1) (a) or (b) of that Act, or who is deployed or in any other way placed on active duty under a

circumstance described in regulations made for the purposes of clause 50.2 (1) (c) of that Act.

- Athletes must be training and continuing to train in Ontario. Exceptions (“Residency Exceptions”) will be made on a case specific basis providing that the athlete can substantiate that:
 - He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
 - ▶ The onus is on the athlete to demonstrate that he/she needs to be out of province. The athlete will submit written documentation to their PSO/MSO’s Selection Committee clearly indicating how they meet these exceptions. The Ministry may require that the athlete provide supporting documentation from the athlete’s PSO/ MSO, National Sport Organization (NSO) or other sources to verify reasons for athlete’s absence from the Province of Ontario.
 - He/She must attend a post-secondary institution out-of-province because the course of study is not available to him/her in Ontario;
 - It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.
- Athlete must be a member in good standing with OTTA and Table Tennis Canada for at least 6 months prior to the application deadline, Dec. 10, 2009.
- Athlete must have entered into a Sports Organization - Athlete Agreement with his or her PSO/MSO and must be in full compliance with the terms and conditions of that agreement.
- Athlete must demonstrate a commitment and dedication to a proper training and competitive program. Only athletes who commit to a minimum of 10 training hours/week are eligible for this program.
- Athlete must work with a coach who has been trained and certified in the National Coaching Certification Program (NCCP) at least Level 2 or equivalent. Written contract or agreement should be presented between coach and player or between club, their coach or coaches and player.
- Athlete must not be under sanction as per the Canadian Anti-Doping Policy.
- Athlete must be attending an educational institution full-time (i.e. primary and secondary schools)
 - Exceptions will be made providing that the athlete can substantiate that his/her training will not allow for full-time attendance or if an athlete requires special needs that preclude full or part-time attendance (e.g. Athlete with a disability (AWAD))
- Athletes who have completed their area of study at the secondary level (i.e. high school) and who continue to train towards participation in major national or international competitions will also be given consideration.
- If eligible, the athlete must compete, and continue to compete for Ontario and/or Canada for one year from the date of the Minister’s letter informing the athlete of acceptance into OAAP program, at Canada Games and other national competitions involving provincial team competitions. Athletes who have achieved Canada Card status are not eligible for Ontario Cards.
- Eligibility will be limited to Ontario junior-aged athletes (“junior-aged” refers to chronological age, not a sport’s specific age category - only exception is for PSO/MSOs using 30% of Ontario Card allotment for Senior level athletes not funded by Sport Canada – see note below) who have been identified as a next generation national team athlete as demonstrated by:
 - Identification within the NSO pool of identified next generation national team athletes for the last two competitive seasons; OR
 - Results at regional championships, national championships (junior and/or senior) or other recognized national/international competitions over the last two competitive seasons; OR
 - Representation on a Canadian National Team (developmental and/or junior). Athletes training for Canada Games or provincial teams may also be considered.

Important Notes:

- To be deemed a potential next generation national team athlete, the athlete must be age-eligible to compete on the national team in the year following receipt of Ontario Card funding.
- All athletes under the age of 18 must have their parent or legal guardian sign their OAAP application form. Cheques will be processed in the name of the eligible athlete.
- Athletes who are attending any foreign post-secondary educational institution (including NCAA institutions) and are receiving an athletic scholarship in any sport are not eligible to receive OAAP support.
- An athlete that received Sport Canada Carding between April 1, 2008 and March 31, 2009 and/or April 1, 2009 and March 31, 2010 and is no longer in receipt of Sport Canada Athlete Assistance shall not be eligible to receive *Quest for Gold* funding during fiscal year 2009-2010 (April 1, 2009 to March 31, 2010.) The intent of this rule is to prevent athletes whose performance levels and rankings no longer qualify them for Sport Canada carding from taking an Ontario Card from a future national-level athlete. However, exceptions may apply and will be considered on a case-by-case basis. Exceptions may include, but may not be limited to logistical or administrative changes, injuries, etc.
- An athlete can only be nominated to receive *Quest for Gold* funding in one sport.
- The onus is entirely on the athlete to determine the impact of accepting OAAP funding on current or future NCAA eligibility and to decide whether or not to accept OAAP funding. The athlete will be required to acknowledge this onus and responsibility when signing the OAAP Ontario Card application form and agreeing to the related terms and conditions of the program. Athletes are strongly encouraged to contact the NCAA Eligibility Center to determine the impact of *Quest for Gold* - OAAP funding on current or future eligibility for a NCAA scholarship or on eligibility to compete in a non-scholarship NCAA sport.
- In the event of a conflict or inconsistency, the selection criteria established by the Ministry and set out in the Athlete Handbook provided to each nominated athlete shall prevail over the selection criteria established by the PSO/MSO.

The terms and conditions of the *Quest for Gold* program (contained within athlete application) require athlete recipients to retain all records and documents related to the grant (e.g. receipts) for a three year period and must make them available for inspection by the Ministry of Health Promotion when requested. However, the Ministry will not be requesting receipts from carded athletes on an ongoing basis. **The OTTA can request receipts on an ongoing basis if this requirement is stipulated in the OTTA – Athlete Agreement.**

Carded athletes receiving funding under the *Quest for Gold* – Ontario Athlete Assistance Program can spend funding obtained on the following items:

- Normal living costs
- Costs directly associated with training (e.g. coaching, facility fees, other athlete services)

Residency Exemption for Military Families: The one-year Ontario residency requirement is waived for any Ontario Card or Canada Card applicant who is a spouse or dependant of a: Regular Force member of the Canadian Forces; or Reservist currently deployed by the Canadian Forces into active service. This means that eligible military family members now qualify for OAAP funding immediately upon becoming residents of Ontario. Please see the 2008-2009 *Quest for Gold* Athlete Handbook for details of this exemption, including a list of documents needed to verify eligibility for this waiver of the one-year Ontario residency requirement.

E. Failure to Meet Selection Criteria for Health-related Reasons

Athletes that, for strictly health-related reasons, have not achieved the standards required for nomination of carded status and who have achieved outstanding results in the past, **may** be considered for nomination under the following conditions:

- The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a speedy return to full high-performance training and competition during the period of his or her injury, illness or pregnancy and, despite making every reasonable effort to attain the applicable carding standards during the year in which the injury, illness or pregnancy occurred, has failed to do so, in the view of the OTTA, for reasons strictly related to the injury, illness or pregnancy.
- The OTTA, based on its technical judgement and that of a sports physician or equivalent, indicates in writing the expectation that the athlete will achieve at least the minimum standards required for carding during the upcoming carding period.
- The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high-performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed despite not having met the carding criteria.
- To meet the selection criteria OTTA will be using results from the same events from the previous competitive season.

F. Alternates:

OTTA will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provide that:

- Alternate is substituted within 2008-2009 fiscal year
- An alternate is available from the same category/discipline/card level (Full/Half)
- Funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program)

G. Contact Address and Deadline

Athlete Agreement and Quest for Gold Application (from the OTTA website) must be submitted in writing (and **received**) no later than **December 10, 2009** to:

The athlete agreement will only come into effect if an athlete is selected and accepts carding status through the OAAP program.

H. Appeals

Grounds for appeals will be limited strictly to issues related to:

A) Whether or not the PSO/MSO has completed the selection process in accordance with their own published selection criteria and related procedures;

2. Deny the appeal; or
3. Allow the appeal and nominate the appellant for carding status.

The appeals will only be accepted on the MHP-provided template, in writing through regular post, registered mail, courier or delivered in person. Appeals that are delivered personally or by courier shall be deemed to be received on the date of delivery. Appeals that are delivered by regular post or registered mail shall be deemed to be received three days after the date of mailing.

Appeals submitted by e-mail or fax will not be accepted. The Appeals Committee will discuss all appeals at once, after PSO/MSOs publish their list of nominated athletes. Appeals received in advance of the PSO/MSO announcing nominees will not be reviewed until after the Appeals deadline.
